

Welcome to Ford's Theatre

PLEASE SHARE THIS INFORMATION WITH YOUR GROUP PRIOR TO THE SHOW

We are honored to have you joining us for an exciting performance in our beautiful and historic site.

As a courtesy to the actors and other guests, please take a moment and share the following information with your group.

- Remember you're part of the show. The actors can see and hear you just as well as you can see and hear them. Give them your attention and they will give you an amazing performance!
- Show respect to your fellow audience members. Please refrain from talking during the performance or using your phone. Please turn your phone off and put it away before entering the theatre. Hats should be taken off before the performance.
- Help us preserve our historic site. No food, drink or gum is allowed in the theatre. Please dispose of these items in the trash receptacles outside the theatre before entering.
- Don't miss a moment of the performance. Use the restrooms before the show or during intermission. Be sure to be in your seat before curtain time. If you are late to take your seat, you will be seated at the House Manager's discretion and may miss part of the show.
- Protect the artists' copyright. Photography and video is prohibited.
- Keep the special effects on stage. Noise and/or light making devices (including laser pointers) are not allowed. If one is found, it will be confiscated.
- Learn more about Lincoln and the Civil War. The historic museum beneath the theatre is open one hour before the show as well as during intermission. Patrons with tickets to an evening performance can visit the Petersen House and Aftermath Exhibits. Ask a staff member today about recommended timing! Matinee patrons can visit the Center's exhibits before or after the performance. Please feel free to take advantage of these amazing perks.

If you have any more questions or concerns, please feel free to direct them to the attention of one of our staff members who are posted around the theatre to assist you.

Enjoy the show!
