

## Annotation Guide

	Use emoticons to show how certain parts of the text make you feel
	Sketch an illustration to convey meaning of important sentences or phrases,
	Circle parts of the speech that help you answer the questions
	Underline words that are unfamiliar
	Evidence that supports the author's claim or your claim for the Socratic seminar
	Important or surprising moment (Try to write down why it was important or surprising)
Feel free to use the margins to jot down connections, definitions and questions!
