

Shout Sister Shout!

Jigsaw Research Graphic Organizer

Directions: You and your groupmates are history detectives. You're looking for information to help you better understand the life and times of Sister Rosetta Tharpe. Use this graphic organizer to record your research findings according to you assigned topic. Try to find at least five sources. As you and your group conduct your research, remember to confirm the credibility of your source(s). Ask

1. Who wrote this source? Are they an expert on the topic?
2. How did they find their information?
3. Does the source provide their references/sources?
4. What is the perspective, point of view or angle for this source?
5. When was it written?
6. What is their motive for sharing this information?

Let me know how I can support your learning!
